

2019 SC EMS Symposium

March 14-16, 2019

Exhibitor Information

We look forward to having you as an exhibitor at our show. The EMS Symposium is excited to be back at the Kingston Resort for our 39th conference.

Exhibit Hall General Information: The exhibit hall is carpeted with a red carpet with multicolor designs. Draping will be Hunter Green and each 10' booth will have 2 tables with gold skirting and 2 chairs. Each 20' booth has 4 tables and 4 chairs, and 30' booths have 6 tables and 6 chairs.

Internet and electrical service for individual vendors is contracted directly with the hotel. Your electrical and internet forms have been forwarded to the hotel if they accompanied your exhibitor application. These services are provided as part of sponsorship packages.

Exhibit Hall Set Up Information: Displays Unlimited will set up the exhibit hall on Wednesday morning, March 13th. After the piping, draping and signage have been erected you may move some of your material into the exhibit hall for storage. The hall will be locked at 5 pm and there will be no admittance after that time on Wednesday. Storage on Wednesday night is at your own discretion.

Set up will begin on Thursday, March 14th at 8:00 am. The exhibit hall will be open for exhibitors only and coffee service will be provided. Set up is informal. Staff asks that you be set up by 4:00 pm so the hall can be cleared of boxes and packing, and can be vacuumed before the Wine and Cheese reception opens at 5 pm.

Electrical and internet service: Service will be supplied by the hotel staff on Wednesday and Thursday based on orders placed at time of registration. Onsite orders will be filled but may be subject to short delays and availability of hotel personnel.

Displays Unlimited will have additional tables, chairs, waste baskets and booth furnishing during the conference. A representative is always nearby when the hall is open.

Parking and Delivery Limited parking is available just outside the exhibit hall to off-load your displays into the hall. There is also a small freight elevator at the rear of the hotel that can be used.

Booth Numbers: Booth numbers are not necessary for shipment purposes. Staff will ensure your shipments are placed in the correct booth!

Drop Shipments: By policy, the Hotel will usually refer you Party Reflections. *However*, if you choose to drop ship you must ensure that your delivery is made to the Embassy Suites Convention Center on TUESDAY, WEDNESDAY OR THURSDAY. PLEASE NOTE: Crated/bulk merchandise sent to the facility without prior approval will not be accepted. If you have further questions, please call the Embassy Suites at 800-537-1690 for pre-delivery specifications and instructions should you choose not to utilize the services of Displays Reflections.

Shipping address:

Embassy Suites Kingston Plantation
Attn: SC EMS Symposium
9800 Queensway Blvd
Myrtle Beach SC 29577

Please have shipments arrive Tuesday March 12 through Thursday March 14. Staff will pickup at the loading dock and place in your booth.

Make sure you include return labels for any material to be shipped back to you and notify your shipper of a pickup available on Monday March 18 at the loading dock.

After the exhibit hall closes on Saturday staff will carry those boxes back to the loading dock for pickup on Monday.

Pricing includes up to 4 representatives:

Single booth 10 x 10 - \$700

Double booth 10 x 20 - \$1350

Ambulance - \$700

Sponsorships - See below

General Information for Exhibitors

All booths include skirted tables and chairs, plus a small trashcan.

- Single booths - 2 tables, 2 chairs
- Double booths - 4 tables, 4 chairs
- Triple booths - 6 tables, 6 chairs
- Ambulance spaces - include two tables and two chairs with each unit.

Electrical and Wifi access is a *separate contract with the hotel* (their rules, not ours). Check the block and we'll forward the form to you. You will NOT be charged on our invoice. Electrical and Wifi are included with sponsorships.

All registrations are completed online through the conference tracker software. They will offer their lead tracker software for you as a separate charge. Sponsors receive this as part of their sponsorship. The lead retrieval option allows you to capture your contacts utilizing your smartphone and the contacts QR code. You can then retrieve their contact information including phone and email at any time in the next year.
